HOW TO USE THIS GUIDE

The color coded sections in this guide correspond with the city index on pages 2 & 3.

The cities and map page numbers are listed in the color section at the top of each page.

City page numbers are listed on each map.

City Name, Interstate/Exit number on top of all coupons.

Some of the Hotels use amenity icons to list more information about their property.

Look for the Call Ahead Rate

RESERVE NOW! **Call Ahead Rate \$89.99**

When the hotel has the above ribbon in their coupon you can call ahead to reserve your room at the listed rate.

Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

Best LAKES for SPRING BREAK

Whether you have elementary kiddos rounding out their first year of school or high schoolers ready for a week free of homework and practices, spring break is a perfect time to relax, recharge, and reconnect as a family. When you get a break from juggling busy schedules, you'll want to make the most of your time together. While spring break can often bring to mind beaches or theme parks, we think that a lakeside retreat can be a real crowd-pleaser.

From lakeside picnics and bird-watching to adventuring in new landscapes by hiking trails and canoes, there is something for everyone when you're by the lake. Rent a boat to let your kids try out wakeboarding and waterskiing or just enjoy a calm escape from technology. If you're looking to make a splash, there are a ton of options across the country that cater to all ages and interests.

CADDO LAKE - TEXAS

Located partially in Northwest Louisiana and partially in Northeast Texas, this tranquil lake feels far removed from the hustle bustle of southern city livin'. Besides birding, fishing, and canoeing, you can take outback tours that float through the backwaters and swamps. When it comes to accommodations, you'll find everything from cabin complexes and furnished guest cottages to motels and bed-and-breakfasts.
